

**THE WEST HOUSTON  
LEADERSHIP INSTITUTE**  
Building Community Leaders for West Houston

**JOIN THE NEXT CLASS**

The West Houston Leadership Institute (WHLI) is a breakthrough community leadership program. Leaders from corporate, non-profit, and community organizations apply to participate in a 10-month program to learn and dialogue about issues that affect West Houston.

WHLI's class year is an opportunity to interact with civic and corporate leaders in a small group; to ask challenging questions, receive honest answers, and explore solutions to real problems. WHLI is structured to include dialogue sessions with subject matter experts to discuss dynamic issues impacting the overall health and direction of West Houston.

WHLI will help you broaden your understanding on how to integrate; personal, business, civic, and educational point-of-views to make you a better leader. You can never go wrong investing in yourself."
